Dear Guests,

I am thrilled to welcome you to the 138<sup>th</sup> Philadelphia Charity Ball. The Ball highlights the contributions to our communities that the young ladies and gentlemen have already made and will inspire them to continue to make philanthropy an important part of their lives. We can all be inspired by them and by those past participants who have gone on to be an integral part of charitable life in Philadelphia.

This year's beneficiary is Special Olympics Pennsylvania. Founded in 1970, and now the world's largest amateur sports organization, Special Olympics provides year-round sports training and athletic competition offering 21 Olympic-type sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy, and participate in a sharing of gifts, skills and friendship with their families, other Special Olympic athletes, and the community. With nearly 1,500 athletes in the Philadelphia area, Special Olympics a variety of sports through community-based programming. We are excited to work with Special Olympics Pennsylvania and have them be part of the Charity Ball.

This Ball would not be a success without the hard work and dedication of many people. I want to thank particularly this year's debutantes and young gentlemen and their families for their involvement and enthusiasm, the Board of Directors who work throughout the year to make this event a success, the Young Friends Committee, and our Executive Director, Lydia Butcher, without whose hard work, insight and humor the Ball could not take place. A special thank you must also go to the sponsors and guests here tonight. It takes all of you not just to make the Ball a success but to guide and inspire the young people here to become future philanthropic leaders, while continuing to build history as part of this Philadelphia tradition.

*Linda Fynes Siegfried*  
President, Philadelphia Charity Ball

# OUR MISSION

The mission of the Philadelphia Charity Ball is two-fold: to raise funds for non-profit organizations focused on youth in Philadelphia, and to inspire the young people of Philadelphia to make philanthropy a central part of their lives.

The Philadelphia Charity Ball is a 138-year-old Philadelphia tradition. It is a formal celebration and gathering that has raised millions of dollars for a variety of worthwhile charities over the years. Each year the Ball endeavors to build on and continue this tradition. For the first century, the beneficiaries of the Ball were the Philadelphia hospitals and the results of these events are evident throughout our local hospital system.

The Philadelphia Charity Ball is part of the fabric of the history of Philadelphia. Many past participants have gone on to assume positions in Philadelphia area charitable organizations.

# 2017 JIMMY MEDAL

PRESENTED TO  
**BRIA TOWNES**

The Jimmy Medal identifies and celebrates individuals who make a positive difference in the lives of others. Through their actions they exemplify the virtues of resiliency, humility, empathy and loyalty.

Bria Townes is a senior at Parkway West. Raised in West Oak Lane. Bria has 4 siblings, an older sister and two older brothers, and one younger sister. She is a dedicated, hardworking student who does well in school. Volleyball, basketball, softball and bocce are just a few of the sports in which Bria participates. Whether she's a key player or helping on the sidelines, she is a valuable teammate. When she's not dedicating her time to her studies or sports, Bria also has a part time job during the school year and works full time during the summers which shows her dedication and commitment to her future. Her friends and family would describe her as kind, compassionate, and loyal. She also loves children!

Bria has been a partner (a participant without an intellectual disability) with the Special Olympics Unified Program at Parkway West for two years. During her time as a Unified Partner, she has participated in bocce and their Unified Youth Leadership club. One of her favorite memories of her time as a Unified Partner was meeting the other bocce ball participants for the first time. Bria says that every day since then they always give her a big hug and ask how her day is going. No matter what her mood is, it always helps to put a smile on her face. As a Partner, Bria has been a shining example of how every person in our community should be; kind, friendly and welcoming to all. She has experienced firsthand through Unified Sports that training together and playing together is a quick path to friendship and understanding. We cannot thank her enough for her commitment to this program and for leading the way to inclusive communities for all. Congratulations, Bria!
