welcome to the 137th PHILADELPHIA CHARITY BALL

Dear Guests,

I am thrilled to welcome you to the 137th Philadelphia Charity Ball. The Ball highlights the contributions to our communities that the young ladies and gentlemen have already made and will inspire them to continue to make philanthropy an important part of their lives. We can all be inspired by them and by those past participants who have gone on to be an integral part of charitable life in Philadelphia.

This year's beneficiary is Special Olympics Pennsylvania. Founded in 1970, and now the world's largest amateur sports organization, Special Olympics provides year-round sports training and athletic competition offering 21 Olympic-type sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy, and participate in a sharing of gifts, skills and friendship with their families, other Special Olympic athletes, and the community. With nearly 1,500 athletes in the Philadelphia area, Special Olympics a variety of sports through community-based programming. We are excited to work with Special Olympics Pennsylvania and have them be part of the Charity Ball.

This Ball would not be a success without the hard work and dedication of many people. I want to thank particularly this year's debutantes and young gentlemen and their families for their involvement and enthusiasm, the Board of Directors who work throughout the year to make this event a success, the Young Friends Committee, and our Executive Director, Lydia Butcher, without whose hard work, insight and humor the Ball could not take place. A special thank you must also go to the sponsors and guests here tonight. It takes all of you not just to make the Ball a success but to guide and inspire the young people here to become future philanthropic leaders, while continuing to build history as part of this Philadelphia tradition.

Linda Fynes Siegfried
President, Philadelphia Charity Ball

OUR *Mission*

The mission of the Philadelphia Charity Ball is two-fold: to raise funds for non-profit organizations focused on youth in Philadelphia, and to inspire the young people of Philadelphia to make philanthropy a central part of their lives.

The Philadelphia Charity Ball is a 137-year-old Philadelphia tradition. It is a formal celebration and gathering that has raised millions of dollars for a variety of worthwhile charities over the years. Each year the Ball endeavors to build on and continue this tradition. For the first century, the beneficiaries of the Ball were the Philadelphia hospitals and the results of these events are evident throughout our local hospital system.

The Philadelphia Charity Ball is part of the fabric of the history of Philadelphia. Many past participants have gone on to assume positions in Philadelphia area charitable organizations.

the 2016 BENEFICIARY

The beneficiary of the 2016 Philadelphia Charity Ball is Special Olympics Pennsylvania. the 2016 JIMMY MEDAL

presented to

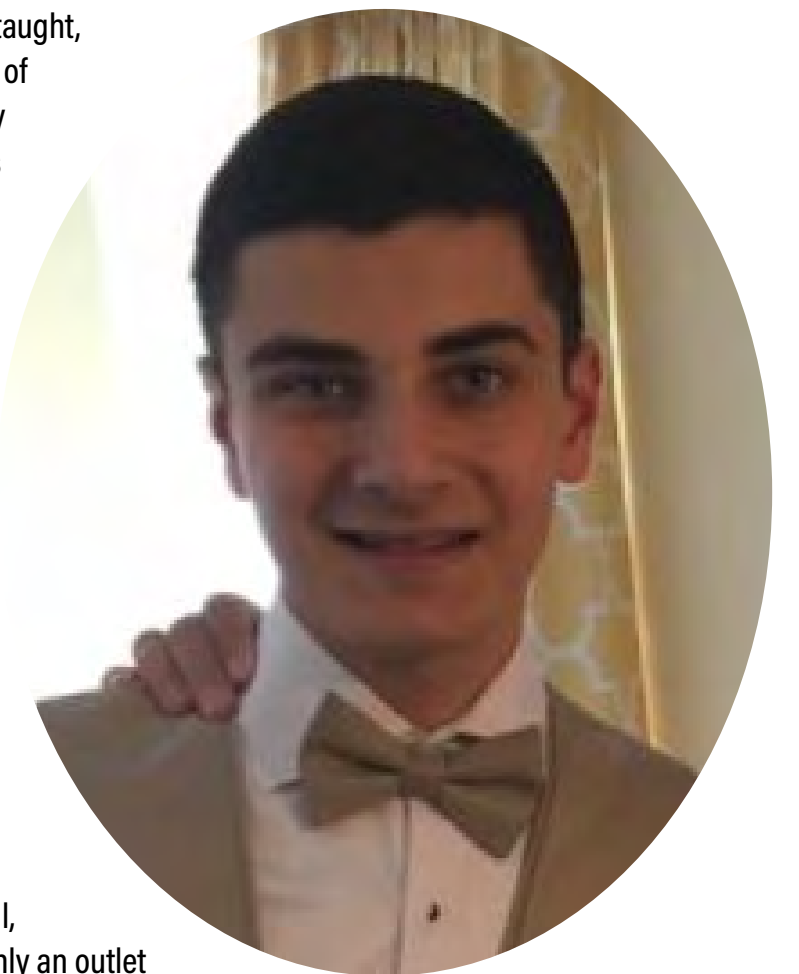

MICHAEL CAPORALE

The Jimmy Medal identifies and celebrates individuals who make a positive difference in the lives of others. Through their actions they exemplify the virtues of resiliency, humility, empathy and loyalty.

Mikey, diagnosed with autism, preferred being alone in his early years, watching and playing video games. His parents and stepparents felt that Mikey needed more engagement with the real world. He needed human connection.

Mikey had shown some interest in videoing. Self taught, he eventually started to capture video. At the age of 13, he discovered video blogs and started his very own YouTube channel and Mikey Cap Productions was born. The video camera got him out of the house and into the community, making friends both online and off. His YouTube channel and social media presence got a big boost from fellow local YouTubers with an international following exposing Mikey to others like him around the world. He made it his mission to show them that they are never alone, that they always have a friend in Mikey Cap. He is making a positive difference already in those he has reached, and encourages them to do the same, with the promise of a "shout-out" or repost as a reward.

Now in high school, Mikey followed in his big brother's footsteps, by joining Special Olympics. He participates in bowling, track & field, volleyball, basketball, and soccer! Special Olympics is not only an outlet for much needed physical activity, it's an opportunity every day for Mikey to build strong, lasting friendships with kids his own age, and to learn more about himself. He loves to record all his practices, capturing his feelings, egging on his coaches, cheering on his teammates. Special Olympics helped to round out the potential that everyone who knew him could already see: his compassion, his competitive nature, his strong spirit. And he plans to continue to participate in Special Olympics, to video for Mikey Cap Productions, and to spread the word that anyone can make a difference, if they try.

As an Eagle Scout, Alex has performed hundreds of hours of community service aimed at helping those less fortunate as well as enhancing and preserving the environment. Having backpacked in Costa Rica, Alaska, New Mexico and elsewhere, Alex knows the critical importance of keeping our ecological system protected and in balance. He is committed to championing environmental issues in the future.

At Duke, Alex is a member of the club water polo team, writes as a sportswriter for the Duke Chronicle, and acts with the Duke Players, a student-run theater organization.

Steven Max Fynes Siegfried

Son of Mr. and Mrs. Steven D. Siegfried

Max is a recent graduate of The Haverford School and committed to play golf at the University of Virginia in the Fall of 2017. As a member of Haverford School's Varsity golf team since middle school, Max was a member of three Inter Ac championship teams, served as Captain his senior year and was the overall 2015 season Inter Ac Champion. He's a two-time recipient of Haverford's Peter Page Award and won the Coaches Award his senior year. Max was chosen multiple times for First Team All Main Line, First Team All Inter-Ac League and First Team All Delaware County.

In 2015 Max was the Golf Association of Philadelphia Junior Player of the Year as well as the Christman Cup Champion, runner-up in the Philadelphia Junior Boys Championship and Pennsylvania State Junior including twice being selected to both the Williamson Cup Team and Mason-Dixon Team.

Nationally, Max had three top five finishes in the American Junior Golf Association and was selected to participate in The Sage Valley Junior, the top ranked junior tournament in the country.

Max has volunteered his time with a variety of non-profit organizations including The First Tee, whose mission is to impact the lives of young people by providing educational programs that build character, instill life-enhancing values and promote healthy choices through the game of golf. Max also volunteers at Our Mother of Sorrows soup kitchen in Philadelphia, making sure to be there annually on Christmas morning to help prepare and serve dinner.

Andrew Becker Stermann

Son of Dr. Jamine L. Shechter and Dr. Daniel H. Stermann

Andrew (Drew) Becker Stermann graduated from The Haverford School in 2016, where he was proud to be a "Super Lifer". He graduated Cum Laude and was both a National Merit Commended Scholar and an inductee of the Spanish Honor Society. While there he was a member of the Debate Team and was Editor-In-Chief of the school newspaper. Senior year he served as a Winter Track Captain and was a member of the Varsity Baseball Team that won the Pennsylvania State Championship.

During high school Drew participated in community service trips to the 9th Ward in New Orleans and Cuba and found the experiences to be transformative. Last summer Drew served as a camp counselor to elementary school children and truly loved the experience. He hopes to continue this work.

Drew is currently a freshman at Emory University in Atlanta. He is presently planning to major in International Relations and minor in Arabic. Other upcoming plans include an internship this summer in the US Senate and study abroad in Europe. He is a member of the Emory Debate Team and plays intramural soccer there as well. His other hobbies include EDM and extensive world travel.

Wesley Baron Wolffe

Son of Mr. William Colwell Wolffe and Mrs. Lisa Marie Valentine

Wesley is a sophomore at the College of Charleston school of business and economics. Wesley recently returned from London where he had the opportunity travel to Munich to oversee the Syrian refugee crisis, Florence and Prague for other humanitarian purposes. Wesley's passion and talents are reflected in his much admired impressionist art and pottery. Summering in Bay Head, New Jersey, Wesley has been an active contributor at All Saints Episcopal church and can often be found riding waves with friends at the beach or at the Bay Head Yacht Club for lunch and dinner. Wesley is a favorite around Bay Head for his fabulous bar tending skills along with a host of other entrepreneurial activities with some of his close associates. Wesley also enjoys hiking mountains in Maine, boating, trap shooting and downhill skiing. Upon graduation, Wesley plans to join his brother in the First City Troop of Philadelphia.

During the summer, the members of the Board gathered for a pool party hosted by Sarah and Dr. Brannon Claytor.

The Board Directors of the Philadelphia Charity Ball and their canine family members wish good luck to the Special Olympics Pennsylvania participants.

Go and get those medals, you are ALL the "Best in Show"!
